### MUNICIPAL ORDINANCE NO. 13 Series of 2019

#### AN ORDINANCE PROHIBITING THE USE, SALE, DISTRIBUTION AND ADVERTISEMENT OF CIGARETTES AND OTHER TOBACCO PRODUCTS IN CERTAIN PLACES, IMPOSING PENALTIES FOR VIOLATIONS THEREOF AND PROVIDING FUNDS THEREFOR, AND FOR OTHER PURPOSES

Authored by: COUN. ALBERTO C. MARZAN, JR.  
Committee on Health, Social Welfare and Environmental Protection

**WHEREAS**, the 1987 Constitution of the Republic of the Philippines declares that the State shall protect and promote the right to health of the people and instill health consciousness among them;

**WHEREAS**, the Republic of the Philippines, under the Framework Convention on Tobacco Control (FCTC) to which she is a party, determined to give priority to the right to protect public health and to promote measures of tobacco control based on current and relevant scientific, technical and economic considerations, and agreed to implement the measures provided in the treaty;

**WHEREAS**, the Local Government Code of 1991 (Republic Act No. 7160) accords every local government unit power and authority to promote the general welfare within its territorial jurisdiction, including the promotion of health and safety of its constituents;

**WHEREAS**, the Philippine Clean Air Act of 1999 (Republic Act No. 8749) declares the right of every citizen to breathe clean air, prohibits smoking inside enclosed public places including public vehicles and other means of transport, and directs local government units to implement this provision;

**WHEREAS**, the Tobacco Regulation Act of 2003 (Republic Act No. 9211) prohibits smoking in certain public places whether enclosed or outdoors; prohibits the purchase and sale of cigarettes and other tobacco products from and to minors and in certain places

frequented by minors; imposes bans and restrictions on advertising, promotion and sponsorship activities of tobacco companies; and directs local government units to implement these provisions;

**WHEREAS**, the Municipality of Moncada recognizes that local governments must act with urgency to denormalize the culture of smoking and tobacco consumption through comprehensive and proven effective tobacco control measures;

**WHEREAS**, the LGU recognizes the fundamental and irreconcilable conflict between the tobacco industry's interests and public health policy, and realizes the need to be alert to and informed of any efforts by the tobacco industry to undermine or subvert tobacco control efforts;

**WHEREAS**, scientific evidence has unequivocally established that tobacco consumption and exposure to tobacco smoke cause death, disease and disability; lead to devastating health, social, economic and environmental consequences; and places burdens on families, on the poor, and on national and local health systems;

**WHEREAS**, an increasing number of Filipinos die each year of tobacco-related diseases such as stroke, heart disease, and various cancers, among others;

**WHEREAS**, scientific evidence has shown that there is no safe level of exposure to tobacco smoke; that nicotine is an addictive substance; that effective measures to protect from exposure to it requires the total elimination of smoking and tobacco smoke; and that approaches other than 100% smoke-free environments, including ventilation, air filtration and the use of designated smoking areas (whether or not with separate ventilation systems) have repeatedly been shown to be ineffective;

**NOW, THEREFORE**, on motion by Coun. Alberto C. Marzan, duly seconded;

Be it **ENACTED** by the Sangguniang Bayan of Moncada in session duly assembled, that:
