RESOLUTION EXPRESSING SUPPORT FOR THE PROPOSED ANTI-TERRORISM ACT OF 2020

WHEREAS, it is declared a policy of the State to protect life, liberty, and property from terrorism, to condemn terrorism as inimical and dangerous to national security and to make any terrorist act a crime against the Filipino people, against humanity, and against the law of nations;

WHEREAS, both chambers of the Philippine Congress enacted House Bill 6875 and Senate Bill 1083, thereby upgrading the provisions of existing Human Security Act of 2007, which they consider outdated and insufficient to curtail terrorism activities in the modern times which involve online recruitment and planning;

WHEREAS, terrorism being inimical and dangerous to national security, it is imperative for this August Body to support security measures that would safeguard the welfare of our people while upholding their basic rights and fundamental liberties as enshrined in the Constitution;
